Dear Andrey

As President of the Society of Exploration Geophysicists, it is my privilege to notify you that your paper entitled Building TTI depth models using anisotropic tomography with well information, coauthored with M. Woodward, D. Nichols, K. Osypov, and O. Zdraveva, received Honorable Mention in the category of Best Paper Presented at the SEG 2009 Annual Meeting.

On behalf of the Society, congratulations on your excellent contribution to the Annual Meeting Technical Program.

Sincerely,

Steve Hill  
SEG President 2009-2010
