Dear Andrey Bakulin:

Congratulations on your excellent technical presentation titled, *Seismic data enhancement and targeted noise removal using time-frequency masking guided by beamformed data*, presented during the SEG Online Experience 2020 Annual Meeting. Your research and preparation were also noticed by your fellow SEG members who judged your paper, ranking it in the top 25 of 764 papers presented at the meeting.

It is technical presentations such as yours the SEG would like to offer to its international Sections, Associated Societies, and Technical Sections. The SEG Board strongly encourages you extend an offer one of these groups to present your paper. A list of Sections and Societies affiliated with SEG and their contact information is attached.

Once again, thank you for your excellent contribution to the 2020 Technical Program and for considering participating in the exchange of geophysical technology, in the manner described above. I appreciate the time and consideration you are giving this initiative. Should you have any questions on the criteria used for judging please refer back to the Speaker Kit.

Sincerely,

Jim White

Executive Director
